6511137	Training Pad Holder	\$17.49

**NEW**

## Jump Start Pads

Guaranteed housetraining success! These pads are treated with a triple-action attractant that encourages instinctive marking behaviour to help your puppy quickly learn to use the pads. 2 adhesive strips secure the pads so your puppy is less likely to chew, play or drag the pads. The adhesive strips also allow you to attach two or more pads to customize an area for you pet. They also come with a house training booklet and a toll-free puppy housetraining hotline.

ITEM #	Description	Price
6511126	JumpStart 24pk	\$22.49

## Potty Training Aid

Scientifically formulated attractant helps shorten housetraining time by training your pet where to urinate. For indoor or outdoor use.

ITEM #	Description	Price
6510609	Simple Sol Potty Training Aid 8oz	\$5.49

## Extra Large Training Pads

- 63% larger than traditional pads
- Contains Super Absorbent Polymer that converts liquid into gel
- Helps control odors and keeps urine locked in place, prevents tracking and extends the life of each pad
- Each pad is made with a strong plastic backing to protect floors
- Scientifically treated with an attractant to encourage your pet to use the pad
